PERMIT APPLICATION PUBLIC NOTICE**

August 29, 2008

Permit Number: OCRM-08-206-M
Permit ID: 64044

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Marion H. Whaley, Jr.
C/O Mr. Matthew Kizer
1405 Palmetto Blvd.
Edisto Island, SC 29438

LOCATION: On and adjacent to Fishing Creek adjacent to Jerome Meggett Place Road off Hwy 174, Edisto Beach, Charleston County, South Carolina. TMS#: 023-00-00-046.

WORK: The work as proposed and shown on the attached plans consists of constructing a dock and a boat ramp. Specifically, the dock will consist of an upland platform supporting a 3' by 10' access ramp, which will lead to an 8' by 15' floating dock. The applicant also proposes to install a 6' by 8' single-pile boatlift floodside of the proposed floating dock. The proposed boat ramp will be a 12' wide by 40' long reinforced concrete structure, with a terminus near the mean low water mark. The purpose of the activities is for the applicant's private recreational use. Please note that the Army Corps of Engineers has approved the boatramp under Nationwide #36.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before September 28, 2008. For further information please contact the project manager for this activity, Fred E. Mallett, at 843-953-0236.
